

About the Institute

Rajiv Gandhi Government Engineering College (RGGEC), Kangra is a state government funded engineering college located in Nagrota Bagwan, Himachal Pradesh, India. The college was set up in the year 2014 under the Himachal Pradesh Technical University, Hamirpur. The college is one of the five government colleges affiliated to the Himachal Pradesh Technical University (HPTU), Hamirpur and approved by All India Council for Technical Education (AICTE), New Delhi.

The college campus is situated in the town of Nagrota Bagwan of Kangra District in Himachal Pradesh and is located on the banks of a Singh Ravine - a distributary channel of Baner Ravine, surrounded by scenic hills of Kangra Valley.

The distance to campus from Nagrota Bagwan bus terminus is 3 km and 2.5 km from Nagrota Railway Station. The institute is situated nearly 30 km away from Dharamshala Airport at Gaggal, with holy Chamunda Devi temple located at a distance of around 7 km from campus.

Some of the facilities available in the institute includes well ventilated classrooms, recreational areas, indoor and outdoor games, well stocked library, seamless internet connectivity, medical facilities, clean environment, and a supporting staff.

About the Twinning Partner

After selection of institute in World Bank funded project "Technical Education Quality Improvement Programme Phase-III", TEQIP-III through National Project Implementation Unit (NPIU) New Delhi. NPIU had assigned the role of Mentor to "Department of Technology, Shivaji University Kolhapur" and that of Mentee to "Rajiv Gandhi Govt. Engg. College Kangra at

Nagrota Bagwan".

The Shivaji University, Kolhapur started Department of Technology in June 2006 with the aim to provide opportunity for students to learn in technology education and research of global standard for the human resource development. In 2006 first four M. Tech courses were started and in 2008 five B. Tech courses were started.

Department of Technology is approved by AICTE and admissions are as per AICTE and DTE, Govt. of Maharashtra norms. The relation between two institute is growing at a comfortable pace with long term vision to collaborate in academic and research domains.

About the Workshop

In times of challenge and change, organizations need strong leadership to build the capacity to promote morals and good governance. The workshop is aimed at developing within participants the capacity to understand and change organizational systems and to understand and change one self.

A key objective is to sensitize participants about capacity building in individuals to operate outside of their functional responsibilities and to broaden their understanding of organizational and system issues, enhancing their ability to operate at a strategic level. The workshop therefore, challenges individuals to move beyond their current functional roles and behavior; to open up to approaches when working with others to achieve goals and to generate more efficient and innovative outcomes.

Objectives of the Workshop

1. To introduce participants with contemporary leadership theories and principles of good governance within a
